

# BIBLE VERSE MAPPING STEP BY STEP

1. Choose a verse to study and write on your worksheet.
2. Look up 2-3 translations of the same verse and write them out on your worksheet or notebook.
3. Circle any keywords and look up in a lexicon for Hebrew and Greek words and definitions.
4. Using your study Bible or online tools, learn the following about the verse:
5. Pray, then journal about what God is teaching you about His character in this verse.
6. Journal about how you can apply this verse to your life.
7. Using a concordance or online Bible study tool, look up and write related verses.
8. Optional: Draw or print maps of where the verse was written or is about, research additional historical contexts related to the verse. Go where the Holy Spirit leads you to learn more!
9. Optional: Bible journal this verse or add doodles and drawings to your verse mapping sheet.
10. Pray over and memorize the verse
