

25 USES FOR THIEVES HOUSEHOLD CLEANER

1. REFRIGERATOR

Mix 1 capful of Thieves Household Cleaner with 2 cups of water.

2. SMALL AND LARGE KITCHEN APPLIANCES

Mix 1 capful of Thieves Household Cleaner with 1 cups of water. Clean stovetops, ovens, microwaves, toasters, toaster ovens, blenders, mixers, etc. To clean the interior of a microwave, fill a microwave safe container with 2 cups of water. Place in microwave and heat for 5-10 minutes. The steam will make it easy to clean up food and gunk.

3. LIGHT FIXTURES

Dust light fixtures and bowls. Mix 1 capful of Thieves Household Cleaner with 3 1/2 cups of water. Clean fixtures, glass bowls, etc. to remove dirt and sticky residue.

4. PANTRIES, VANITIES, CABINETS, AND DRAWERS

Mix 1 capful of Thieves Household Cleaner with 2 cups of water. Wipe down kitchen surfaces to remove dirt, sticky residue, etc. Consider placing a cotton ball with 2-3 drops of Thieves essential oil to keep areas under sinks, cupboards, etc. smelling clean.

25 USES FOR THIEVES HOUSEHOLD CLEANER

5. WOOD FURNITURE AND CABINETS

Mix 1 capful of Thieves Household Cleaner with 1 cup of olive oil (add 2-3 drops of Lemon essential oil for a fresh lemon scent). Wipe down wooden cabinets, tables and other wooden furniture to remove dirt and clean surfaces.

6. SINKS AND COUNTERTOPS

Mix 1 capful of Thieves Household Cleaner with 3 1/2 cups of water in a spray bottle. Spray sinks, countertops and backsplash and wipe clean to remove dirt and grime. Safe on granite, laminate and solid surface counters. For more DIY bathroom cleaning recipes, check this out.

7. SHOWER HEAD/FAUCET CLEANER

In a plastic bag, mix 1 teaspoon Thieves Household Cleaner and 3/4 cup white vinegar. Attach the full bag to faucets and fixtures with rubber bands and leave for several hours. Scrub with a coarse brush if needed to remove hard water stains. Rinse well.

8. SHOWER DOOR DEEP-CLEAN

In a spray bottle mix 1/2 capful Thieves Household Cleaner, 1/2 cup vinegar, 1 tablespoon Thieves Dish Soap, 1 cup water, 1 drop each Lemon and Grapefruit essential oils. Spray liberally onto the surface and scrub with a sponge to remove spots. Rinse well and dry.

25 USES FOR THIEVES HOUSEHOLD CLEANER

9. INTERIOR AND EXTERIOR GARBAGE CANS

For interior garbage cans, mix 1 capful of Thieves Household Cleaner with 3 1/2 cups of water in a spray bottle. Spray trash cans and wipe clean to remove dirt and grime. You may also wish to place a cotton ball with 2-3 drops of Thieves essential oil to keep trash can smelling clean.

For exterior and heavy duty garbage cans, mix 1 capful of Thieves Household Cleaner with 2-3 cups of water (use less water for heavier degreasing) in a bucket. Take garbage cans outside and use cleaning cloth to thoroughly clean. Use spray hose to rinse and let dry outside.

10. TOILETS

To clean inside toilets, mix 1/4 cup of baking soda and 1/2 capful of Thieves Household Cleaner to a toilet brush. Clean inside of toilet bowl and let sit for a few minutes before flushing.

11. TILE AND GROUT

Add 1 capful of Thieves Household Cleaner with 1/2 cup of water in a spray bottle. Spray tile and grout. Let sit for a couple of minutes. Use a small brush to get stains out. You may use less water for stronger concentration as needed.

12. WINDOWS, WINDOW SILLS AND MIRRORS

Mix 1 capful of Thieves Household Cleaner with 4-5 cups of water (add 2-3 drops of Lemon essential oil for a fresh lemon scent and/or 1 tsp of white vinegar for streak-free clean). Clean windows, sills and mirrors to remove dirt, sticky residue and grime.

25 USES FOR THIEVES HOUSEHOLD CLEANER

13. WALLS, OUTLETS AND VENTS

Dust wall and outlet surfaces. Then, mix 1 capful of Thieves Household Cleaner with 3 1/2 cups of water. Clean walls, outlets and vents to remove dirt and grime.

14. FLOORS

Mix 1 capful of Thieves Household Cleaner with 4 cups of water (add 2-3 drops of Lemon essential oil for a fresh lemon scent and/or 1 tsp of white vinegar for streak-free clean). Clean windows, sills and mirrors to remove dirt, sticky residue and grime. Safe for tile, laminate, wood and other floors.

15. COUCH AND UPHOLSTERY CLEANER

Combine 1 capful of Thieves Household Cleaner with 1-2 cups baking soda. Mix well. Let sit for 24 hours to thoroughly combine. You may wish to add 5 drops of Lavender essential oil for an extra boost of freshness. Sprinkle lightly over furniture and wait 1 hour. Use a stiff brush and back-and-forth motions to work the cleaner into the fabric; then vacuum up the excess. (You can also use this technique on car upholstery, mattresses, carpets, and rugs.)

16. CEILING FAN CLEANER

In a spray bottle or bowl, mix 1 capful Thieves Household Cleaner, 2 cups water. Wipe dust off fan blades, light fixture, and ceiling mount with a damp cloth. Dip the same cloth in the solution and thoroughly wipe down the blades to remove built-up dust. Dry with a clean cloth. (Can also be used to clean air vents, bathroom vents, or anywhere dust gathers!)

25 USES FOR THIEVES HOUSEHOLD CLEANER

17. CARPET SPOT CLEANER

In a spray bottle or bowl, mix 1 capful Thieves Household Cleaner, 6 cups water. Mix well, apply to the spot, and blot with a clean cloth. Repeat until stain is gone.

18. DISHWASHER DETERGENT

Add 1 capful of Thieves Household Cleaner to the bottom of the dishwasher to clean dishes.

19. POTS AND PANS

Mix 1/2 capful of Thieves Household Cleaner with 3 cups of water to clean pots and pans.

20. LAUNDRY DETERGENT

Add 1-2 capfuls (depending on load size) of Thieves Household Cleaner to washer to clean clothes.

21. KIDS AND BABY TOYS, BIG KID TOYS (EXERCISE EQUIPMENT, YOGA MATS, ETC.).

Mix 1 capful of Thieves Household Cleaner with 3 cups of water in a spray bottle. Spray toys, equipment, play tables, mats, doll houses, organizers or shelves, etc. to remove dirt and naturally clean.

25 USES FOR THIEVES HOUSEHOLD CLEANER

22. HAND CLEANER

Mix 1/2 capful (about 1 tsp) of Thieves Household Cleaner, 1 tsp witch hazel, and 1/2 cup of water and add to a small spray bottle. Use as needed to naturally clean hands.

23. CAR SEAT CLEANER

Mix 2 drops of Thieves Household Cleaner with 2 cups of water in a spray bottle. Spray plastic and fabric lightly and wipe with a soft cloth. To clean the harness, mix a small amount of baby wash with 2 cups of water. Gently wipe with a soft cloth. Avoid hard scrubbing or soaking. Let everything dry completely before using.

24. CRAYON OR MARKER REMOVER FROM WALLS

Apply a splash of Thieves Household Cleaner and 3 drops of Lemon essential oil to a damp rag. Wipe drawings off the walls. Repeat until gone.

25. CLOTHING STAIN REMOVER

Use Thieves Household Cleaner without dilution on the stain. Scrub gently with a small brush until the stain is gone.
